INITIATION OF

THE AMERICAN WOMEN'S WAR RELIEF FUND.

Immediately on the Declaration of War a group of American women married to Englishmen and resident in England met together to consider how they might best express their sympathy with Great Britain and most effectively help their adopted country.

Three Schemes of work were devised :—

A Hospital for Wounded Soldiers.

An Ambulance Ship.

Economic Relief Work.

An **Ambulance Ship** not being required by the Authorities at the time, six Motor Ambulances for use at the Front were substituted. A seventh Ambulance, subscribed for by " Friends in Boston, U.S.A.," was presented to the War Office through the Fund. It is a pleasure to hear from Officers, Soldiers and Nurses who have returned from the Front, that despite rough roads and constant use all these strong powerful cars are still doing excellent service.

The Committee wish to take this opportunity of thanking the American Red Cross for their constant interest in the work of the Fund. Since the two Units sent to Great Britain were detailed for duty at the American Women's War Hospital the American Red Cross have been in direct communication with the Committee, and have spared no efforts to secure the effective maintenance of the Medical Staff and of the American Sisters, besides having most generously contributed large consignments of medical stores.

On August 19th, 1914, Messrs. Lenygon most kindly placed premises at 31, Old Burlington Street at the disposal of the Committee, who take this opportunity of again expressing their deep appreciation of this patriotic and valuable contribution to the Fund, and gratefully state that the amalgamated firms of Messrs. Lenygon & Morant have generously renewed their offer of hospitality for the ensuing year.

The Hon. Treasurer has given personal supervision to all financial details ; and the Committee tender most cordial thanks to Messrs. Martin Farlow for their services as Hon. Auditors.

All Donations have been acknowledged in the English Press, and an up-to-date list of every Subscriber to the Fund has been prepared and issued regularly each month.

The Income and Expenditure Account for the year will be found at the end of the Report, and the Committee trust that the many Contributors to the Fund will feel that every care has been exercised that their money shall be administered in the most profitable and economical manner.

In this connection the Committee desire to express their deep sense of gratitude to Lady Paget,

FLEET OF MOTOR AMBULANCES NOW
AT THE FRONT.

through whose energy and organising skill £4,554 was added to the funds as the result of the *Matinée* arranged by her at the Theatre Royal, Drury Lane, on April 27th.

The Committee wish to place on record their most grateful thanks

to the many Subscribers to the Committee of Mercy in New York, through whose generosity large sums of money have been transmitted to the Fund. They would also wish to thank the Officers of the Committee of Mercy for their efforts in raising the sums which have been of such inestimable value both to the Hospital and to the Economic Relief Work, and they feel that special acknowledgment is due to Mr. John Moffat for his untiring energy on their behalf.

It is the ardent desire of the Committee that the American Women's War Relief Fund shall continue to be an active proof of American sympathy with Great Britain in this War, and that it shall exercise its full utility until the Restoration of Peace. This desire can only be achieved by continued generous support, and the Committee feel that when it is necessary for them to ask for further financial help from their Compatriots to carry on the beneficial work which their generosity has already made possible, they will not appeal in vain.

AMERICAN WOMEN'S WAR HOSPITAL.

The offer made by the American Women's War Relief Fund to fully equip and maintain a Surgical Hospital of 200 beds at Oldway House, Paignton, South Devon, for the use of Wounded Soldiers was accepted by the War Office, through the Red Cross Society, on August 21st, 1914. The work of equipment was immediately put in hand, the many structural alterations required to convert a private house into a Hospital being carried out under the personal direction of Mr. E. Paris Singer, who had generously offered his beautiful residence for this purpose, whilst the Hospital Committee were responsible for providing the furniture, clothing and many appliances necessary for the welfare of the Patients. From the outset the Committee determined that all sanitary work should be of the best and most modern description, and considerable ingenuity was displayed by those in charge of the work at Paignton in contriving space for a first-class Operating Theatre, Radiographic Studio, Pathological Laboratory and Anaesthetising and Sterilising Rooms.

The Committee are greatly indebted to Sir William Osler, Bart., F.R.S., Regius Professor of Medicine Oxford, who at once consented to act as Hon. Consulting Physician, and who has been unremitting in his interest and care for the work.

The War Office appointed Lieut.-Col. Gunning, R.A.M.C., to be the Military Commandant with full disciplinary powers. Mr. Ernest Lane, F.R.C.S., undertook the duties of Principal Medical Officer, having control of the Medical and Surgical Staff, and Miss Gertrude Fletcher was engaged as Matron and head of the Nursing Staff.

On September 27th everything was ready for the first convoy of 130 wounded soldiers allocated to the American Women's War Hospital.

At the urgent request of the War Office Authorities the capacity of the Hospital has now been increased to 250 beds, 15 Wards containing 230 beds, whilst the Isolation Hut erected in the grounds in case of an outbreak of epidemic disease accommodates another 20 patients. This increase was rendered possible by the addition of St. George Ward, which comfortably accommodates 65 beds. Two small Wards are entirely reserved for patients needing special treatment.

On the arrival of the two Units generously detailed for work in Great Britain by the American Red Cross, Unit D (Dr. Howard W. Beal, Director), at the request of the War Office, took up work at Paignton on September 28th. This necessitated a partial re-arrangement of the Staff which up to that date had been entirely British.

A month later Mr. Ernest Lane resigned his appointment as Principal Medical Officer, and the Committee considered it appropriate that, with the consent of the War Office Authorities, the Medical and Surgical Staff of the Hospital should be entirely American, whilst the Nursing Staff should comprise both American and English Sisters. Dr. Howard W. Beal accepted the Office of Chief Surgeon, and by the courtesy of the Admiralty, Unit F (Dr. R. W. Hinds, Director) was released from duty at the Royal Naval Hospital, Haslar, and joined the Paignton Staff on November 13th, 1914. These two Units were made up as follows :—

UNIT D.

Dr. Howard W. Beal
(Director).
Dr. Fitzsimons.
Dr. Leonard.
Sister Mabelle Welsh
(Supervisor).
12 Nurses.

UNIT F.

Dr. R. W. Hinds
(Director).
Dr. Shaw.
Dr. Eastman.
Sister Beatrice Bowman

12 Nurses.

In May, 1915, Miss Fletcher resigned the post of Matron, and the Committee take this opportunity of acknowledging her whole-hearted and strenuous work during the difficult days

The Analysed Report of the First Thousand Cases treated at the Hospital, published at the end of March, gives the following details :—

Surgical Cases	785
Medical „	215
Number of Deaths	3
Discharged to furlough	908
Transferred to Convalescent Homes or Hospitals for special treatment..							54
Invalided out of the Service	35

Average time in Hospital, 22.8 days.

Surgeon-General Sir Alfred Keogh, K.C.B., Director-General Army Medical Department, acknowledging a copy of this Report, wrote to the Hon. Secretary as follows :—

War Office, S.W.
June 19, 1915.

“ DEAR MRS. HARCOURT,

Very many thanks for the Report on the Hospital. It is a fine record. I am constantly hearing good thing of the work.

Yours sincerely,
(Signed) ALFRED KEOGH.”

A similar Report will be published on the completion of the Second Thousand Cases. Altogether 1,831 cases have been admitted to the Hospital, and five deaths have occurred. These cases were divided approximately into :—

Surgical	1,413
Medical	418

Though financed by American subscriptions, directed by American Surgeons and staffed by American and English Nurses, the Hospital is absolutely under the control of the British War Office, and is obliged to conform to British Military Regulations as regards visiting hours and all other matters. The Commandant has the sole right of issuing permits.

The regular Visiting Days for Patients' friends are :—

Sundays	2.30 to 4 p.m.
Wednesdays	2.30 to 4 p.m.

Special arrangements are made in the case of patients who are seriously ill and whose relatives it is thought desirable to summon.

MEDICAL AND NURSING STAFF.

Ambassador and the Chief
Surgeon in foreground.

The distance from Paignton being too great for religious services to be attended there, several Members of the Committee subscribed privately to erect and furnish a small Chapel in the grounds. This Chapel is used for Services of all denominations and is filled to overflowing every Sunday.

The Committee most gratefully acknowledge the kind services of the Rev. A. H. Fuller, Vicar of Paignton, and of Father Kirk, who have acted as Hon. Chaplains to

The Surgical and Medical Staff have their quarters at Little Oldway, a house in the grounds closely adjoining the Hospital, and the Matron and some of the Sisters have rooms in the Hospital itself. Fernham, another house in the grounds, provides accommodation for several Nurses, and here all the meals of the Day Nursing Staff are served. Undisturbed rest is secured to the Night Nurses when off duty by their living at a house near by set apart entirely for this purpose.

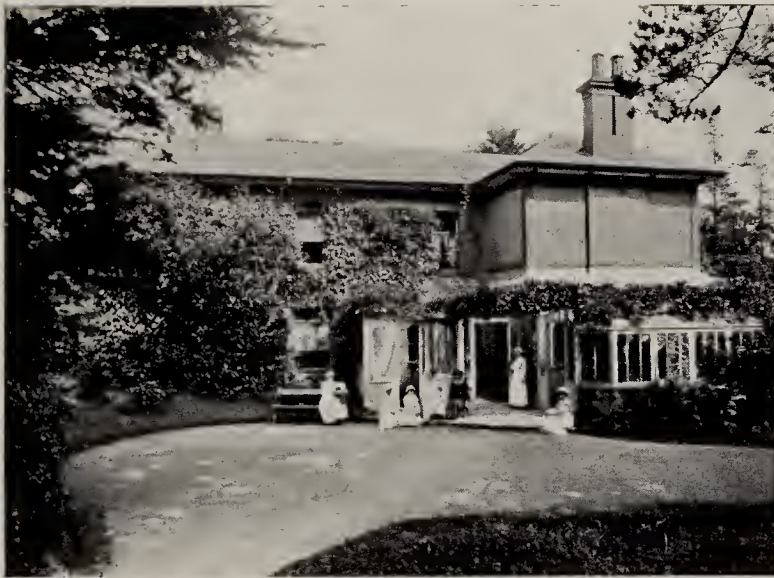

About 8,000 meals are served each week to Patients and Staff, the average weekly consumption of the principal items of food for patients alone being :—

Meat	1250 lbs.	Milk	300 gallons
Fish	200 lbs.	Potatoes	$\frac{1}{2}$ ton
Bread	1400 lbs.	Eggs	2000 —
Butter	180 lbs.

of each convoy of wounded Soldiers and have given most efficient help in their removal to Oldway.

The work of the Hospital has been rendered more complete by the great kindness of Dr. and Mrs. T. H. Herring, who have thrown open their Convalescent Home in Weymouth Street to patients it has been necessary to send to London for short periods for consultation or special treatment.

the Hospital since it was opened, also the very valuable assistance received from Mr. J. H. Cooper, who in addition to his arduous work as Agent to Mr. Singer's Oldway property has given personal supervision to much of the structural work entailed, and has voluntarily undertaken to attend to many financial and other details of local administration. The Members of the Paignton Fire Brigade and the local Boy Scouts have secured the gratitude of Committee, Doctors and Patients alike. As a Volunteer Ambulance Corps they have attended at Paignton Station on the arrival

LITTLE OLDWAY

During 1914 the following gifts of Surgical and Medical Stores were received from the American Red Cross :—

1,500 lbs. Cotton	40,750 yds. Gauze
1,500 lbs. assorted Bandages	Rubber gloves
50 lbs. Chloroform	Ice bags
75 lbs. Ether	Ligatures
3 gallons 7 per cent. Iodine	Dressing Instruments

In addition to immediate response to many requests for special articles, 14 cases containing the following items have been received this year :—

2,200 lbs. Absorbent Cotton	6 ozs. Cocaine Hydrochlor.
300 lbs. Gauze Bandages	3 ozs. Novocain
200 lbs. Vaseline	10 ozs. Codeine Sulphate
690 lbs. Boric Acid	4 $\frac{5}{8}$ gallons Tincture of Iodine
250 lbs. Ether	50 Rolls Adhesive Plaster
56 lbs. Zinc Ointment	144 prs. Rubber Gloves
6 lbs. Potassium Iodide	21 doz. Ligatures and Sutures
3 lbs. Mercurous Iodide	1 Floyd Invalid Lifter

The monthly issue of Drugs and Surgical Stores includes :—

DRUGS.	DRESSINGS.
22 lbs. Ether	205 lbs. Absorbent Cotton Wool
2 $\frac{1}{4}$ gal's. Iodine 2 per cent. in Alcohol	3,160 yds. Absorbent Gauze
5 $\frac{1}{2}$ galls. Alcohol (for Surgical purposes)	75 $\frac{1}{2}$ doz. Bandages
	50 yds. Adhesive Plaster

Reference to the Financial Statement will show that the average monthly cost of running the Hospital has been £1,457, the average daily cost of each bed being about 5s. For the first few months the daily cost per bed was 4s. 6d., but the increase in the price of food and in the general expenses in every department has rendered it impossible to carry on the work at this lower figure.

Referring to the cost of maintaining the Hospital, the Committee would point out that from the moment patients arrive at Paignton Railway Station until their discharge from Hospital, the complete expenses are borne by the American Women's War Relief Fund, no allowance of any kind being taken from the War Office.

As stated in the Christmas Report, Her Majesty Queen Mary honoured the Hospital with a visit on November 12th. That the Queen was pleased with what she saw may be gathered from the letter subsequently written by Countess Fortescue, Her Majesty's Lady-in-Waiting, who is President of the Devonshire Branch of the British Red Cross Society.

VISIT OF HER MAJESTY THE QUEEN TO THE HOSPITAL.

"36, Lowndes Street,
London, S.W.
November 13th, 1914

DEAR LADY PAGET,

I am desired by the Queen to ask you to convey to the Executive Committee of the American Women's War Relief Fund Hospital the great pleasure which Her Majesty derived from her visit yesterday.

Her Majesty much appreciates the great kindness of Mr. and Mrs. Paris Singer in lending their beautiful house at Paignton to be used as a hospital and also the magnificent generosity of those American Women who have contributed to its maintenance.

It gives the Queen great satisfaction to feel that so many valuable lives are being saved through the skill and devotion of your splendid staff of medical men and nurses.

Believe me,
Yours sincerely,
(Signed) E. FORTESCUE."

DR. WILLIAM GREGG CRUMLEY
(Pathologist.)

Members of the Hospital Committee visit Paignton at regular intervals to confer with the Chief Surgeon and the Matron as to the administration and needs of the Hospital.

Visits of Inspection on behalf of the War Office have been paid during the year by :—

Col. Geddes, R.A.M.C., A.D.M.S., Salisbury ; Major-General A. P. Penton, G.O.C., South-East Coast Defences ; Col. Allen, A.D.M.S., Plymouth ; Surgeon-General Sir Arthur T. Sloggett, K.C.B. ; Col. Simpson, C.M.G. ; Lieut.-General Sir W. Pitcairn Campbell, K.C.B., Southern Command ; Brig.-General H. M. McIntyre, commanding 100th Infantry Brigade ; Col. Jones, R.A.M.C., A.D.M.S., Plymouth ; Lieut.-Col. Kay, R.A.M.C., Commandant Devonport Military Hospital ; Major Beech ; Surgeon-General Price, A.M.S. ; Lieut.-Col. J. Swain, M.D., F.R.C.S., R.A.M.C. (T), Consulting Surgeon, Western Division Southern Command.

Among others who have visited the Hospital are :—

The American Ambassador to Great Britain and Mrs. Page ; Sir Wm. Arbuthnot Lane, Bt., M.B., F.R.C.S. ; Sir Rudolf Smith, Bt., M.B., F.R.C.S. ; Sir Alexander Simpson, M.D., late Dean of Faculty of Medicine, Edinburgh University ; Lieut.-Col. Donald Armour, F.R.C.S., Surgeon-in-Chief, Shorncliffe ; Dr. Camac, Cornell University Medical School, New York ; Dr. Walter Dodd, Director X-Ray Dept. Massachusetts General Hospital, Boston, Mass. ; Dr. James A. Nydegger, U.S. Public Health Service ; Dr. Geo. B. Pierce, Boston, Mass. ; Dr. G. R. Radmore ; Dr. Saner ; Mr. Davis, County Director Devonshire V.A. Organisation.

The Committee believe that the two following letters of appreciation of the work of the Hospital will be of interest to Subscribers.

Sir Arbuthnot Lane, wrote to the President of the Fund :—

21, Cavendish Square, W.
June 18th, 1915.

“ DEAR LADY PAGET,

My visit to your charming Hospital gave me great pleasure for two reasons : one was the excellent manner in which all the work was being done by an indefatigable group of earnest energetic men, and the other that I met several old friends.

I think you may congratulate yourself very heartily on the great success which has attended your philanthropic venture. I hear also from soldiers who have been in the Hospital how much pleased they are with the treatment they have received.

I am,
Yours sincerely,
(Signed) W. ARBUTHNOT LANE.”

Sergeant J. Williams, 2nd H.L.I., discharged from Hospital on August 19th, wrote :—

Paignton.
17th August, 1915.

“ LADIES,

On behalf of the large number of N.C.O.'s and men who have had the good fortune to pass through your beautiful hospital for treatment, I feel that, as I am about to leave after having been a patient since the first batch arrived, I ought at least to write and thank you for your many generous actions to our crippled men and for the skilful way we have all been treated.

I know that the records of marvellous cures effected and the almost incredibly small number of deaths speak volumes in themselves, but I would like you to know that every party of men discharged have spoken their praise for the treatment they had received. The Surgeons and Sisters have accomplished miracles between them, and they are thoroughly deserving of the highest praise for the energetic way in which they have always worked and for the wonderful skill they have shown.

Although I see by the papers that the American Red Cross are recalling some of their members, I sincerely hope, for my comrades' sakes, that you will keep the flag flying till the end of hostilities.

I beg to remain,
Very gratefully yours,
(Signed) J. WILLIAMS.”

ECONOMIC RELIEF COMMITTEE.

As outlined in our Christmas Report, the activities of the Economic Relief Committee began immediately on the formation of the Fund, when it was realised that many women and girls would suffer acutely through the war, either because of the absence of the bread-winner, or by the closing of the factories in which they were employed. Statistics regarding unemployment were at once obtained, and a Sub-Committee was formed to work out a Relief Scheme under the Chairmanship of Mrs. Astor, with Mrs. H. C. Hoover and Mrs. Reginald Owen as Joint Hon. Secretaries and Treasurers. Mrs. Astor later resigned the Chairmanship, and the Duchess of Marlborough was elected in her place.

A factory building near **St. Pancras** was placed at the disposal of Lady Henry by Mr. J. S. Henry, and here 70 women and girls, who would otherwise have been destitute, found employment. This workroom remained open from August 24th, 1914, to August 13th, 1915.

The majority of the women were factory hands, and belonged chiefly to the class of unskilled labour, though some were seamstresses whose work had been lost through the trade depression at the beginning of the War. The rate of wage, hours of labour, etc., were arranged on the lines laid down by the Central Committee for Women's Employment, which was maintaining similar workrooms. In addition to wages, a free tea was supplied to all employees and a good mid-day meal of meat, vegetables and pudding was provided at the nominal charge of 2d. per head.

Workers were entirely employed at first on clothing needed for the equipment of the Paignton Hospital, and the current requirements of the Hospital were always given precedence over other work. In addition to hospital equipment and private orders there has been opportunity for all the workrooms to give widely of their products, 4,000 shirts being made for the Army Clothing Department in the St. Pancras workroom alone.

The instruction received greatly increased the earning capacity of the women, and on the re-adjustment of labour conditions the younger and able-bodied women in the St. Pancras workroom were enabled to find other work. On the closing of the workroom, those older women, who could not take advantage of the improved conditions, were put into touch with the permanent local charities.

THE ECONOMIC RELIEF COMMITTEE.

Left to right. (Seated) Mrs. ALFRED CLARK, Mrs. EDGAR RICKARD, Mrs. JOHN ASTOR, The DUCHESS OF MARLBOROUGH, Mrs. REGINALD OWEN, Mrs. WALTER BURNS, Mrs. ST. JOHN MILD MAY. *(Standing)* Mrs. ROBERTS, Mrs. LIONEL HARRIS, Mrs. WILLCOX JENKINS, Mrs. HARCOURT, Mrs. THURSFIELD, LADY HENRY.

On September 29th, 1914, a Knitting Factory, financed by the Society of American Women in London, was opened in **Islington**, one of the poorest and most congested districts, with Mrs. J. Willcox Jenkins as Chairman. This Factory has always worked in close co-operation with the Economic Relief Committee, which now supports 15 out of the 40 women constantly employed. In addition to private orders, a contract for 10,000 pairs of Socks for the War Office has been carried out in this workroom at the rate of 400 pairs per week.

A Dining Room Department was opened, the originators of this scheme being two young girls in Waterbury, Connecticut, and the money was raised almost entirely through the generosity of friends in America. Gifts from the National Food Fund and generous contributions from New Zealand and Queensland have greatly assisted Mrs. J. Willcox Jenkins in making permanent the 2d. dinner scheme, which has been very beneficial to the health of the workers.

A Social Club opened on the workroom premises is a centre of comfort for the whole neighbourhood.

On October 1st, 1914, a workroom was started at **Woolwich**, which gave employment to forty women. During the five months this workroom remained open, first under the Chairmanship of Mrs. Mitchell Roberts and later under that of Mrs. A. T. Stewart, it was the only scheme for Women's Relief Employment in that Borough, and helped the women through a time of great need and until they were taken over by the Queen's Work for Women Fund on January 27th, 1915, on which date this workroom closed.

From October 7th to November 7th, 1914, the Economic Relief Committee financed a workroom at **Greenwich** for 60 women. This workroom also was eventually taken over by and made part of the Employment Scheme of the Queen's Work for Women Fund.

In 1915 conditions changed considerably. Dressmaking firms were again busy; private seamstresses were able to find work, and new employment was opened up by women replacing men on active service.

Women skilled in sewing and those strong enough to undertake manual labour could find work, but there was acute distress among a class whom the revised conditions of employment did not touch. Many elderly governesses, companions, housekeepers, less skilled teachers of music,

etc., who had used the savings of a lifetime during the first eight months of the War, were feeling the greatest hardship just as conditions became easier for working women.

The Committee tried to meet this need by establishing a Workroom where these ladies could work together and receive a living wage until they were able to obtain suitable employment, the search for which became the main work of the Chairman of the new Workroom.

The American Committee, which had the use of the old Embassy premises at 123, Victoria Street, Westminster, generously loaned part of their rooms to the Economic Relief Committee, and on January 27th, a workroom was opened

under the Chairmanship of Mrs. A. T. Stewart. On Mrs. Stewart's departure for America, on July 1st, Mrs. J. Willcox Jenkins and Mrs. Reginald Owen jointly took charge.

In addition to hospital equipment and private orders the **Victoria Street Workroom** has a standing order for 50 pairs of pyjamas and 100 pillow slips weekly for the French Emergency Fund, and at the request of Queen Mary's Needlework Guild made 4,160 of the respirator pockets urgently needed for troops at the front.

The Storeroom at 31, Old Burlington Street has been the receiving depot for many tons of worn clothing which has been distributed by this Committee.

One incident will serve to show the detail of this department. A Relief Workroom at Bethnal Green found the provision of materials and wages for workers too heavy a financial burden, and asked help of the Economic Relief Committee. Their need could be met by gifts of worn clothing, as the workers were employed on re-making and repairing such garments; thus grants of old clothing served the double purpose of supplying a relief workroom with material, and of ultimately helping to clothe the poorest in Bethnal Green.

The December Report has already given an account of the Christmas festivities at each Workroom. Countless touching responses of gratitude and appreciation have amply repaid the efforts which have been made by this Committee to extend help and sympathy, by employment, food or clothing, to English women whom the War has placed in sore need.

In gratefully acknowledging gifts of materials, food, clothing and much personal service, the Committee wish to emphasise that the necessity for the work now being done will be greatly increased during the coming winter, and that as the need grows greater funds will become more difficult to raise.

Gifts of materials, which relieve the Committee of a continual expense, private orders for garments suitable for charitable or war uses, and contributions in money, ear-marked for the "Economic Relief Scheme" are urgently needed.
